Graduate Research Assistant (GRA) Position – Spring/Fall 2026

The [Construction Safety and Emergency Management \(ConSEM\) Lab](#) is seeking a motivated graduate student for the open Graduate Research Assistant (GRA) position starting in Spring/Fall 2026 (preferably Spring 2026). This position offers an excellent opportunity for students interested in conducting research in cutting-edge areas related to construction safety, engineering education, and applications of machine learning and AI.

Research Areas:

Prospective students should have a strong interest in one or more of the following areas:

- Construction Workers' Health and Safety
- Construction Safety Training
- Engineering Education
- ML and AI in Construction
- Post-Disaster Reconstruction and Recovery

Eligibility Requirements:

- A Bachelor's degree in Civil Engineering and a Master's degree in Civil Engineering, Construction Engineering and Management, or a closely related field.
- Self-motivated, independent, and responsible individuals with strong analytical and problem-solving skills.
- Excellent written and verbal communication abilities.
- Prior publication record is preferred.

Candidates currently residing in the US are given priority, but the position is open to anyone.

Review of applications will begin immediately and continue until positions are filled. For additional details or inquiries, please contact [Dr. S M Jamil Uddin](#) at smj.uddin@colostate.edu

S M Jamil Uddin, Ph.D.
